Paediatric First Aid Course (2 Day)

Course duration: 2 Day

Course date: A date and time of your choice

Location: Your business premises

Delegates: Maximum of 12

Course overview:

Our 2-day Paediatric First Aid Course is perfect for those who need to be first aiders in childcare settings such as schools (pre, primary, and secondary), nurseries, after-school care clubs, childminders, and at-home child carers. The course is available over two consecutive days.

Course highlights:

Meets Official Requirements: The course syllabus aligns with the standards of both Ofsted Early Years and the Childcare Register, ensuring comprehensive training.

Key skills developed:

- Provide first aid for an infant or child who is unresponsive and breathing normally, including resuscitation techniques.
- Handle situations where a child or infant is unresponsive and not breathing normally.
- Manage foreign body airway obstruction and control external bleeding.
- Treat injuries to bones, joints, and muscles.
- Address chronic medical conditions or sudden illnesses, such as: Sickle cell crisis, Diabetic emergencies, Asthma attacks, Allergic reactions, Meningitis.

Comprehensive care techniques:

- Respond to electric shocks, burns, or scalds.
- Treat poisoning, bites, or stings.
- Manage shock effectively.
- Care for minor injuries like cuts, grazes, bumps, bruises, small splinters, and nosebleeds.
- Address conditions affecting the eyes, ears, and nose.
- Handle head and spinal injuries with care.
- Provide assistance in cases of anaphylaxis.
- Administer first aid for extreme temperature effects (heat and cold).

Assessment and certification:

Throughout the course, we will assess candidates to ensure they have the required underpinning knowledge. Upon successful completion, participants will receive a certification that is valid for 3 years.

Unit 3-4, Oaktree Business Park, Cadley Hill Road,
